EASY....

3.5M PECOLIFT SCISSOR LIFT

Gone are the days of climbing steps or podiums, no more slips, trips or having to balance!

ecol

Stop wherever you want up to 3.5m working height.

You're always safe, fully guarded from the ground up. And its low maintenance, in fact it's virtually maintenance free, it's so simple!

Pecolift Wind Rated is operable on gradients up to 3° and in winds up to 12.5m/s

Pecolift Features

Step into the platform, no climbing.

- Intuitive to operate turn handle to elevate. Patented* lift mechanism, no power required.
- 🕖 'Auto-lok' brake on elevation.
- *Lightweight, easy to manoeuvre.*
- 🕖 Small footprint (985mm x 700mm).
- Unlimited lift cycles, can be used 24/7.
- Robust design for years of trouble free service.
- Minimal operational costs, virtually maintenance free.
- Pecolift is very 'Eco-friendly.' No batteries means no power consumption for charging, no battery acid spills, no hydrogen gases. No hydraulic oil means no spills. In fact it's carbon footprint is even smaller than it's working footprint and that's only 985mm x 700mm!
- As with all Power Towers products Pecolift is CE marked and fully complies with the requirements of EN280 2009 and is independently third party approved by SGS International.

Can be specified for ATEX approval for Zones 1 and 21.

Power Towers is committed to eco friendly manufacture Pecolift is hydraulic oil and battery free, and with no need to charge, has no energy consumption. Pecolift is an eco friendly solution to Powered Access needs. is brochure and associated data is intended as a guide only and as such is not legally binding,

nor does it form part of any contract. All dimensions are approximate. in basket tray, power drill and tools shown in tool tray are not included. *Patent applied for
